SHEILA SWANN

Overall, best group travel experience I've ever had based on curated activities, 4-5 star accommodations, and overall group interactions. When travelling with STS, you don't have to worry about a thing because they have covered all the bases with no surprise out of pocket expenses. Great opportunity to create bonds while experience new locations. I would highly recommend this group. I can't wait for my next opportunity to travel with them.

NACOLE LAMBE

Sisters Travelling Solo is an amazing travel company. My trip to Tanzania 2019 was my first group trip ever. The cultural experiences, tour guides, Cole and Shauna were great!!! I met a lot of new friends and will never forget this (my first) group trip... Well done to STS. Your attention to all the details and the ladies on the trip made all the difference!!! Will definitely book another trip with my new found Sisters Travelling Solo.

ANDREA GRADY

I just love love love this group. As we depart for each trip and meet as strangers, we return as newfound friends and sisters. The organizing and planning that goes into each trip is phenomenal!!! The payment plans are even more impressive which makes any trip affordable!!! I will be embarking on my 4th trip within a year in a couple of weeks!!! Did I say that I love love love this group?!?!?!.

HARRIS PF

I traveled with this company in April 2019 to Cartagena, Colombia. There were three highlights that stood out most for me. The 1st being the focus on cultural education, the organized itinerary, and the value. I Overall, my experience is that they are a professionally operated company that is culturally aware and provides value for your money. I will travel with them again.!
