Country Overview

South Africa has some of the most beautiful natural landscapes, weather and wildlife you can find in the world. Because each province has a different climate, the wildlife and lifestyle varies all over the country. South Africa is the world's biggest producer of gold, platinum, chromium, vanadium, manganese and alumino-silicates. It also produces nearly 40% of the world's chrome and vermiculite. Durban is the largest port in Africa and the ninth largest in the world.

Cape Town, South Africa (5 nights)

Cape Town is a port city on South Africa's southwest coast, on a peninsula beneath the imposing Table Mountain. Slowly rotating cable cars climb to the mountain's flat top, from which there are sweeping views of the city, the busy harbor and boats heading for Robben Island, the notorious prison that once held Nelson Mandela, which is now a living museum.

Johannesburg, South Africa (4 night)

Johannesburg, South Africa's biggest city and capital of Gauteng province, began as a 19th-century gold-mining settlement. Its sprawling Soweto township was once home to Nelson Mandela and Desmond Tutu. Mandela's former residence is now the Mandela House museum. Other Soweto museums that recount the struggle to end segregation include the somber Apartheid Museum and Constitution Hill, a former prison complex.

Travel with Confidence

Our company wants to take a moment to thank you for your support. Because of your support, a small black owned-business continues.

We know that many of you are still hesitant to book any trips, so we wanted to share some of the things we are putting into place for most of our 2021 and 2022 trips.

SMALLER TRIP SIZES - Our group trips have always been designed to be small because it's about the connection for us. We have decided to reduce our maximum group size to 18 for all of our 2021 and 2022 tours.

MORE LEGROOM - We will look into securing larger transports vehicles, giving trip attendees extra room on private transfers where applicable.

PRE-TRIP ESSENTIALS - During the summer of 2020, we secured hundreds of Sisters Traveling Solo custom masks. We will provide custom masks and trip swag bags to each trip attendee; before or upon arrival into your selected trip destination.

You have been redirected to this document because we are currently finishing up the design of our brand new website. The details for this trip can be found between this document and our trip registration form.

The travel world has changed, and we must change with it. After four years in business, it is time for an upgrade in how we do things. When newer brands can easily copy what we are doing, it's time to move to the next level.

What's coming? We are building a brand new website to align with the successful travel companies in this industry. Our new website will be easier for you to navigate, allow for a smoother and complete booking process (no more being redirected), while ensuring that your information remains secure.

We are also updating our policies and terms to better fit our company's changes and the new normal in travel. These policies and terms will also be presented and shared with you differently; no more super long submission forms and checkboxes; we will leave that for the "ultimate luxury" brands.
